

IMAGINARY WRONGS SAID TO HAVE CAUSED THE SHOOTING

Superintendent Adams was Not Aware of Any Ill Feeling

ATTORNEYS ARE ENGAGED

Brother of Mr. Kinney Prepares For Fight—Mr. Adams Condition the Same

Brooding over fancied impositions, it is said, of which Superintendent William Adams of the Macbeth-Evans plant was not aware, is now thought to be the motive of Thomas L. Kinney who shot and seriously wounded Mr. Adams yesterday morning. The trouble is said to have been over factory matters, Kinney thinking that in some way Adams had wronged him. Mr. Adams was reported at 1 o'clock today as being in as good shape as could be expected. He passed rather a restless night, but generally he is in about as good condition as he was immediately after the operation.

Fuller reports of the near-tragedy were received today. The last time the two men were together was at 6:15 o'clock Wednesday evening, when they left the Turn Verein hall in company with W. A. Miksch, W. H. Calvert and Chris Brown. Mr. Adams went straight home, and spent the entire evening there. Mr. Kinney returned to the Turner Hall at about 7:30 o'clock, telephoned to his wife and left immediately, not returning during the entire evening. It seems that he was on the streets during the evening with Thomas Conner, and Patrick Stapleton. He did not drink any, it is said, and remained all night with Mr. Conner.

It was reported on the streets that Mr. Kinney and Mr. Adams with others spent the entire night at the Turn Verein hall, but this is absolutely false. Kinney left Mr. Conner's residence at 6:40 yesterday morning.

Thursday morning Mr. Miksch walked down street toward the factory a short distance ahead of Mr. Adams, but did not see Kinney. He heard the shots but apparently no one was hurt, and he waited upon Mr. Adams to learn their origin. He asked who did the shooting, and Mr. Adams replied "Tom Kinney," and when asked what he was shooting Mr. Adams said "At me," it is stated. They went on to the factory, where the wounds were examined by Mr. Miksch and then Mr. Adams went home.

Kinney's brother, Charles Kinney, came to Washington from Steubenville today and engaged Melville and Williams as the attorneys to look after the case. He said that he had conversed with his brother, but that no reason was given for the deed. Charles said that his brother was given to brooding moods and was susceptible to baneful influences at such times.

Paul Burns Company Next

The Paul Burns Stock company of Monessen will be at the Coyle Theatre again next week on Tuesday and Wednesday, December 7 and 8. On Tuesday evening will be presented "In Montana," a strong western comedy drama, and on Wednesday "The Broken Heart," an emotional comedy drama. The Paul Burns company has already demonstrated to Charleroi audiences its merits and will no doubt be greeted by large audiences on its second appearance here next week.

Colored Man Held on a Serious Charge

Alleged to Have Shot and Wounded Howard Carter

A negro by the name of Curry of Lockview was taken to jail this morning by Constable David Mathers of North Charleroi on a charge of felonious shooting. The man was held at a hearing before Justice Scott of North Charleroi. He is charged with shooting Howard Carter, a negro of North Charleroi, with whom he had a quarrel some time ago. Carter was not fatally injured.

BRIGADE SHOW WELL PRODUCED

The "Drummer Boy of Shiloh," produced by the Charleroi Boys' Brigade and A. F. Nail, under the direction of the latter at the Coyle Theatre last night, was a production of merit, in which the boys made good with a vengeance. There was much strong acting, the play being a strong Civil War drama. It will be presented again tonight at the Coyle.

The leading part, Mart Howard, a soldier of the Union army, was taken by Christie Roberts. He played his part well and received much deserved applause. The villain, Karl Schenck, was better in his role than many professionals, and gained the most desired applause for a villain an audience can give, that of hissing. The entire supporting company showed much talent and received much deserved praise. Joe Frank, as Johnny Howard the Drummer Boy, was good. Mr. A. F. Nail, the director as Uncle Joe was the real life of the show, and interjected a fine line of comedy in the most trying situations in the play. All the ladies' parts were well handled. That of Mother Howard was taken by Miss Mabel Steinman, and Mrs. Mart Howard was portrayed by Miss Elsie Furloog. The part of Miss Jennie Howard was taken by Miss Clutter; Mrs. Rutledge, by Miss Emma Holyfield and Mrs. Elliot by Miss Laura Edna Steinman. All did remarkably well.

David Thompson as "Fatty Smith," with his bunch of awkward recruits, which he said he got at Twilight also elicited much applause.

Before the war the Rutledge and Howard families have a quarrel over the impending accession of States, then comes the enlistment, the severing of the home ties. Mart and the Rutledges meet later on the battlefield and Mart shares his last drop of water with Major Rutledge who, however dies from injuries. Frank Rutledge, the son, swears vengeance for his father's death, and later in Andersonville prison, shoots Johnny Howard the Drummer Boy. For this deed he is shot in turn by Harry Howard, when the Federals capture the prison. The last scene shows the home and the happy reunions of the families.

Card of Thanks.

For the many deeds of kindness shown me and the many expressions of tender sympathy spoken by friends during my recent bereavement I wish to extend my heartfelt thanks. It is with a realization of the fact that just at such a time as this we need the kind words, and helpful hands for which I wish to express my gratitude. Mrs. Lambert Binger. 911p

MANY CONTRIBUTIONS HAVE MADE HOSPITAL WORK MOST SUCCESSFUL

To the Mail: The management of the Monessen-Charleroi hospital takes this method of thanking those who have so generously contributed in various ways to its support during the past several months. In all institutions of this kind the first few months are usually discouraging, but in this instance, we are happy to state, that the Monessen-Charleroi hospital has been practically self-supporting in so far as concerns maintenance.

We believe it has been demonstrated to the satisfaction of all who are unbiased in their judgement, that an institution of this kind is an absolute necessity in the community. The hospital has cared for thirty charity patients since opening, and we hope that this statement will dispose of the report circulated that it is not a charity hospital. It is true that we charge those who are able to pay, and for that matter, where is there a hospital that does not? Even though they receive State aid, which, as yet, we do not. It should be apparent to all who are fair-minded, that we cannot fill our hospital with charity patients, unless we receive from some source sufficient funds to pay for their maintenance.

The first equipment for the hospital, consisting of beds, mattresses, etc., was purchased with funds raised by giving a charity ball, the success of which was due to the splendid effort and good management of a committee consisting of Mrs. J. K. Tener, Mrs. Herman Hepple and Mrs. Louis Beigel of Charleroi, and Mrs. W. A. McShaffrey, Mrs. M. J. Cramer, Mr. Will Watson and Mr. Wylie McMichael of Monessen.

The directors wish also to acknowledge the more than liberal donations received from the Ladies' Aid Societies of Monessen and Charleroi, as it will be seen by reference to the donation list, that it is to these societies that the hospital is indebted for nearly all equipment aside from that first mentioned.

Following is a list of names of those giving donations, and also a report of receipts and expenditures from April 14, 1909, to November 1, 1909: Cash received from patients, \$1588.00 Bills outstanding from patients \$46.00 Total amount received from patients 1934.00 Total expenditures for maintenance to Nov. 1, 1909, 2069.16

Deficit, \$127.96 Cash received from outside sources and applied in part to maintenance and in part to equipment.

Rev. Father Wigley	\$ 75.00
W. A. McShaffrey	32.00
St. John's Slavish Lutheran church, Aid Society	10.00
Mr. and Mrs. Nathan Greenberg	5.00
Mrs. Forester	5.00
Murdock and McCarty	2.00
Total	\$ 29.00

The number of patients received from April 14, 1909, until Nov. 30, 1909, was 165; surgical cases, 104; medical cases, 61; surgical cases recovered, 100; surgical cases died, 4; medical cases recovered, 54; medical cases died, 7.

Two of the above surgical cases were from gunshot wounds, and one was suicide. Three of the medical cases were maturated when admitted.

COMMISSIONER HILL BITES HIS TONGUE

County Commissioner Thomas Hill has been away from his office for the past few days on account of illness. He is suffering from an injured tongue which he accidentally bit on Saturday evening. Whether he was busy masticating some meat, and suddenly thinking of the high price of this staple was so shocked that he bit his tongue, or in some other way got the member between his molars, is a question, but all the same he has been off duty. It was feared for a time blood poison would set in, and Mr. Hill was even reported to be dying. He is now well on the way to recovery.

Excitement Promised on Telephone Matters

Ordinance Committee at Monessen Failed to Make a Report

There promises to be somewhat of a warm time at Monessen Thursday evening of next week, when the ordinance granting the Independent Telephone company a right to admittance in the borough is reported. The matter was to have been presented to the council last night by the ordinance committee, but apparently it was not prepared. As a result President Stevens gave the members of this committee a berating. They have had the ordinance for the customary 60 days. A meeting was arranged for Thursday when the matter will be reported. The town is divided on letting in the new company.

MISSIONARY SOCIETY MEETS

The regular monthly meeting of the Women's Missionary Society of the Washington Avenue Presbyterian church met in the lecture room of the church yesterday afternoon and was called to order by the president, Mrs. R. J. Whitehead. The devotional exercises were led by Mrs. Ellis Allman after which the leader, Miss Hoge took charge of the program.

The subject for the afternoon was "The Freedmen" and the speaker having traveled extensively through the south, was enabled to give a very instructive as well as entertaining talk on the character and condition of the negro.

Mrs. Robert Booth gave a historical description of the Freedman, after which Mrs. C. S. Speers spoke very ably of the work of the Presbyterian church for these people. Appropriate music was furnished by Mrs. Campbell and Mrs. Henderson, after which the regular routine business was transacted, including the election of officers for the ensuing year. The following officers were elected: Mrs. Stahlman, president; Mrs. R. J. Whitehead, first vice president; Mrs. J. A. Bowman, second vice president. Mrs. N. W. Patton, secretary and Mrs. Williams, treasurer.

The meeting was closed with prayer by Rev. Carter, the singing evangelist, after which a bounteous lunch was served by the hostesses, Meadames Murdock and Davidson.

Report of Matter Made at Merchants Association Meeting

CLERKS MAKE SUGGESTION

Ask That Merchants Close Earlier in the Evenings—To Hold Open Meeting

Through not having between 30 and 60 acres of ground to spare and from three to six trunk line railroads running through the borough, Charleroi has lost the location of a large industry. The Pittsburg Equipment company, with offices in Pittsburg, manufacturers of freight cars, wish to change the location of one of their factories, and were in communication with the Charleroi Merchants Association for some time, but insisted upon conditions that are not to be found along this valley. Therefore the plant is lost to this borough. A report of the matter was made to the merchants at their meeting last night by President John H. Bowers, who conferred with the company.

At the meeting following the finishing up of the general routine of business, a committee from the Charleroi Retail Clerk's Union consisting of T. J. Shores, Walter Jack, Frank Taylor and Peter Hockendown was heard relative to earlier closing. A committee headed by John Ferry from the Trades Council was present acting conjunctively with the clerks. The clerks asked that on four nights a week the stores be closed at 6 o'clock. On Monday the hour of closing was suggested at 6:30 o'clock, and was set for closing on Saturday evening.

The merchants discussed the matter somewhat and were of the opinion that if the merchants of other surrounding towns could be induced to close their stores, the Charleroi merchants would most willingly comply with the request. The finality of the meeting was for the clerks to propose an open meeting for the business men, clerks and other citizens of Charleroi to attend. This meeting will be held in the Bank of Charleroi Hall within the next week or two.

RUMMAGE SALE IS ATTRACTING CROWDS

The rummage sale which was opened yesterday at the old Eldora stand on Fallowfield next to the lockup by the ladies of the Christian church, began with a large sale of odds and ends. Not only does this sale give an opportunity of many households to dispose of their accumulated "rummage" and assist the church funds, but at this time of the year many poor families can prepare for the coming winter at a very low cost.

The Homely Ten.

"The Homely Ten" an organization of young men of the Retail Clerks Union of this place are arranging to give a dance in the bank of Charleroi hall on Thursday evening, December 9, for the benefit of the union. The committee is as follows: Frank Taylor, Walter Jack, Edward Sultz, Harry Klein, T. J. Shore, Peter Hockendown, Earl Taylor, Robert Osborne, Robert Christopher and Frank Lee.

Up to the Individual.

The present era of high prices and general business dissatisfaction has started a flood of discussion and inquiry as to causes, conditions and remedies. Notwithstanding the resumption of industries and the vast volume of trade, there is general complaint that business profits, particularly among the smaller retailers, are down to the vanishing point. Laboring people and those who draw salaries are also dissatisfied, because their earnings do not reach so far as they used to, and thus in the midst of apparent prosperity there is general dissatisfaction.

Those who are giving the matter study say that personal extravagance is the greatest cause of the present condition of high prices and diminishing profits. These economic sharps state that every individual American must practice economy and gets away from the spendthrift extravagant manner of living which has become so prevalent during the past twenty-five years. Americans are getting away from the idea of being thrifty and providing for the future. Everything is for present pleasure and ephemeral amusements, and everybody is living too fast.

This condition does not apply to the wealthy, but to the middle classes who have heretofore been thrifty and furnished the sinews of war for trade and commerce. Now this is lacking and unless there is a halt, National disaster, the economists say is inevitable.

ELECTRIC SPARKS

Many wonder if Charles S. Whitman, who is to succeed District Attorney Jerome in New York, smokes cigars. It seems that Jerome did.

You can't blame a colored man much for writing love letters to a white woman, but when it comes to a white woman writing letters to a colored man, it's a different proposition.

Illinois is the "wettest" State in the Union, according to statistics recently given out. Now that's nice for Pennsylvania, isn't it, to come to such a realization?

Many men would be desperadoes if they had the courage.

GENERATES OXYGEN TO CURE CATARRH

Dr. Barnes, who has located his office in the Clement building, Fourth and McKean, is attracting widespread attention among the citizens of our community by his free demonstrations of the Neel-Armstrong apparatus. The machine generates ozone, which together with certain curative oils, acts as a cure for all forms of catarrh, asthma, influenza, bronchitis, hay fever and incipient tuberculosis. It is the purpose of the company in charge of the demonstration, to place a machine with one of the physicians in Charleroi, and as a preliminary, to satisfy the community of the worth of the treatment thus afforded.

Without doubt the heavy and poisonous fogs which prevail in the Monongahela valley, especially at this season of the year, producing so large a number of cases as above enumerated, make this community an ideal place for the permanent location of such a plant as the Neel-Armstrong. This community is blessed with everything else except good health conditions, and anything to counteract the depressing climatic influences should be welcome.

Will Furnish Slag

The supervisors of the Pennsylvania Railroad for the Monongahela division have consented to furnish Roscoe borough with all the granulated slag that they wish to ask for in order to repair the streets of the borough. The council will make known their wants immediately, it is understood, and make some improvements of their streets. Material for the streets has cost the borough considerable money in the past, but the willingness of the railroad company to furnish the slag, will be the means of cutting down the expense to a large degree.

He Didn't Bet

"A man in my country," said a Kansas congressman, "was always anxious to bet on his game of checkers. One time he was about to play a game for \$10 with a fellow called Three Fingers Jack. Suddenly one of his friends exclaimed:

"Don't bet, Charlie. Don't you know that fellow wore off two fingers playing checkers? That's why he's called Three Fingers Jack."

"That settled it. The bet was never made. A man who had worn off two fingers by brushing them up and down the checkerboard was too much for my friend."—Kansas City Journal.

A Bitter Disappointment

"When I was in Paris," remarked the collector of curios, "I discovered in a bookstall a volume which I knew at first glance to be of extraordinary value. I could scarcely believe my good luck. Breathless, I inquired the price of the dealer. Just think of it! I could have had that treasure for a song!"

"Well, why didn't you get it?"

"Never could slug a note in my life," cried the collector, bursting into tears.

IMAGINARY WRONGS SAID TO HAVE CAUSED THE SHOOTING

Superintendent Adams was Not Aware of Any Ill Feeling

ATTORNEYS ARE ENGAGED

Brother of Mr. Kinney Prepares For Fight—Mr. Adams Condition the Same

Brooding over fancied impositions, it is said, of which Superintendent William Adams of the Macbeth-Evans plant was not aware, is now thought to be the motive of Thomas L. Kinney who shot and seriously wounded Mr. Adams yesterday morning. The trouble is said to have been over factory matters, Kinney thinking that in some way Adams had wronged him. Mr. Adams was reported at 1 o'clock today as being in as good shape as could be expected. He passed rather a restless night, but generally he is in about as good condition as he was immediately after the operation.

Fuller reports of the near-tragedy were received today. The last time the two men were together was at 6:15 o'clock Wednesday evening, when they left the Turn Verein hall in company with W. A. Miksch, W. H. Calvert and Chris Brown. Mr. Adams went straight home, and spent the entire evening there. Mr. Kinney returned to the Turner Hall at about 7:30 o'clock, telephoned to his wife and left immediately, not returning during the entire evening. It seems that he was on the streets during the evening with Thomas Conner, and Patrick Stapleton. He did not drink any, it is said, and remained all night with Mr. Conner.

It was reported on the streets that Mr. Kinney and Mr. Adams with others spent the entire night at the Turn Verein hall, but this is absolutely false. Kinney left Mr. Conner's residence at 6:40 yesterday morning.

Thursday morning Mr. Miksch walked down street toward the factory a short distance ahead of Mr. Adams, but did not see Kinney. He heard the shots but apparently no one was hurt, and he waited upon Mr. Adams to learn their origin. He asked who did the shooting, and Mr. Adams replied "Tom Kinney," and when asked at what he was shooting, Mr. Adams said "At me," it is stated. They went on to the factory, where the wounds were examined by Mr. Miksch and then Mr. Adams went home.

Kinney's brother, Charles Kinney, came to Washington from Stenbenville today and engaged McIlvaine and Williams as the attorneys to look after the case. He said that he had conversed with his brother, but that no reason was given for the deed. Charles said that his brother was given to brooding moods and was susceptible to baneful influences at such times.

Paul Burns Company Next

The Paul Burns Stock company of Monessen will be at the Coyle Theatre again next week on Tuesday and Wednesday, December 7 and 8. On Tuesday evening will be presented "In Montana," a strong western comedy drama, and on Wednesday "The Broken Heart," an emotional comedy drama. The Paul Burns company has already demonstrated to Charleroi audiences its merits and will no doubt be greeted by large audiences on its second appearance here next week.

Colored Man Held on a Serious Charge

Alleged to Have Shot and Wounded Howard Carter

A negro by the name of Curry of Lockview was taken to jail this morning by Constable David McKinnis of North Charleroi on a charge of felonious shooting. The man was held at a hearing before Justice Scott of North Charleroi. He is charged with shooting Howard Carter, a negro of North Charleroi, with whom he had a quarrel some time ago. Carter was not fatally injured.

BRIGADE SHOW WELL PRODUCED

The "Drummer Boy of Shiloh," produced by the Charleroi Boys' Brigade and A. F. Nail, under the direction of the latter at the Coyle Theatre last night, was a production of merit, in which the "boys" made good with a vengeance. There was much strong acting, the play being a strong Civil War drama. It will be presented again tonight at the Coyle.

The leading part, Mart Howard, a soldier of the Union army, was taken by Christie Roberts. He played his part well and received much deserved applause. The villain, Karl Schempp, was better in his role than many professionals, and gained the most desired applause for a villain an audience can give, that of hissing. The entire supporting company showed much talent and received much deserved praise. Joe Franks as Johnny Howard the Drummer Boy, was good. Mr. A. F. Nail, the director as Uncle Joe was the real life of the show, and interjected a fine line of comedy in the most trying situations in the play. All the ladies' parts were well handled. That of Mother Howard was taken by Miss Mabel Steinman, and Mrs. Mart Howard was portrayed by Miss Elsie Furlong. The part of Miss Jennie Howard was taken by Miss Clutter; Mrs. Rutledge, by Miss Emma Holyfield and Mrs. Elliot by Miss Laura Edna Steinman. All did remarkably well.

David Thompson as "Fatty Smith," with his bunch of awkward recruits, which he said he got at Twilight also elicited much applause.

Before the war the Rutledge and Howard families have a quarrel over the impending secession of States, then comes the enlistment, the severing of the home ties. Mart and the Rutledges meet later on the battlefield and Mart shares his last drop of water with Major Rutledge who, however, dies from injuries. Frank Rutledge, the son, swears vengeance for his father's death, and later in Andersonville prison, shoots Johnny Howard the Drummer Boy. For this deed he is shot in turn by Harry Howard, when the Federals capture the prison. The last scene shows the home and the happy reunions of the families.

Card of Thanks.

For the many deeds of kindness shown me and the many expressions of tender sympathy spoken by friends during my recent bereavement I wish to extend my heartfelt thanks. It is with a realization of the fact that just at such a time as this we need the kind words, and helpful hands for which I wish to express my gratitude. Mrs. Lambert Singer. 811p

MANY CONTRIBUTIONS HAVE MADE HOSPITAL WORK MOST SUCCESSFUL

To the Mail: The management of the Monessen-Charleroi hospital takes this method of thanking those who have so generously contributed in various ways to its support during the past several months. In all institutions of this kind the first few months are usually discouraging, but in this instance, we are happy to state, that the Monessen-Charleroi hospital has been practically self-supporting in so far as concerns maintenance.

We believe it has been demonstrated to the satisfaction of all who are unbiased in their judgement, that an institution of this kind is an absolute necessity in the community. The hospital has cared for thirty charity patients since opening, and we hope that this statement will dispose of the report circulated that it is not a charity hospital. It is true that we charge those who are able to pay, and for that matter, where is there a hospital that does not? Even though they receive State aid, which, as yet, we do not. It should be apparent to all who are fair-minded, that we cannot fill our hospital with charity patients, unless we receive from some source sufficient funds to pay for their maintenance.

The first equipment for the hospital, consisting of beds, mattresses, etc., was purchased with funds raised by giving a charity ball, the success of which was due to the splendid effort and good management of a committee consisting of Mrs. J. K. Tener, Mrs. Herman Heiple and Mrs. Louis Beigel of Charleroi, and Mrs. W. A. McShaffrey, Mrs. M. J. Cramer, Mr. Will Watson and Mr. Wylie McMichael of Monessen.

The directors wish also to acknowledge the more than liberal donations received from the Ladies' Aid Societies of Monessen and Charleroi, as it will be seen by reference to the donation list, that it is to these societies that the hospital is indebted for nearly all equipment aside from that first mentioned.

Following is a list of names of those giving donations, and also a report of receipts and expenditures from April 1, 1909, to November 1, 1909:

Cash received from patients	\$1588.00
Bills outstanding from patients	846.00
Total amount received from patients	1984.00
Total expenditures for maintenance to Nov. 1, 1909	2069.16

Deficit	\$127.96
Cash received from outside sources and applied in part to maintenance and in part to equipment.	
Rev. Father Wigley	\$75.00
W. A. McShaffrey	32.00
St. John's Slavish Lutheran church, Aid Society	10.00
Mr. and Mrs. Nathan Greenberg	5.00
Mrs. Forester	5.00
Murdoch and McCarty	2.00

Total \$29.00
The number of patients received from April 1, 1909, until Nov. 30, 1909, was 155; surgical cases, 104; medical cases, 61; surgical cases recovered, 100; surgical cases died, 4; medical cases recovered, 54; medical cases died, 7.

Two of the above surgical cases were from gunshot wounds, and one was suicide. Three of the medical cases were matured when admitted.

COMMISSIONER HILL BITES HIS TONGUE

County Commissioner Thomas Hill has been away from his office for the past few days on account of illness. He is suffering from an injured tongue which he accidentally bit on Saturday evening. Whether he was busy masticating some meat, and suddenly thinking of the high price of this staple was so shocked that he bit his tongue, or in some other way got the member between his molars, is a question, but all the same he has been off duty. It was feared for a time blood poison would set in, and Mr. Hill was even reported to be dying. He is now well on the way to recovery.

"OUT IN IDAHO" A GOOD WESTERN DRAMA

The test of true art is its naturalness, if it is natural it will survive for people will love it. "Out in Idaho," which will appear at the Coyle Theatre tomorrow, matinee and night, is above all natural. "Bronco Pete" and "Rattle Snake Bill" never really existed on the American frontier, but there are plenty of rough hardy men who lived as nobody of this age could even guess. Of course there were dishonest men, there the same as there are everywhere, but they were human scoundrels at least. If you wish to see a drama of the early west peopled with live characters who talk and laugh and dance as well as plot, you should see "Out in Idaho."

Excitement Promised on Telephone Matters

Ordinance Committee at Monessen Failed to Make a Report

There promises to be somewhat of a warm time at Monessen Thursday evening or next week, when the ordinance granting the Independent Telephone company a right to admittance in the borough is reported. The matter was to have been presented to the council last night by the ordinance committee, but apparently it was not prepared. As a result President Stevens gave the members of this committee a berating. They have had the ordinance for the customary 60 days. A meeting was arranged for Thursday when the matter will be reported. The town is divided on letting in the new company.

MISSIONARY SOCIETY MEETS

The regular monthly meeting of the Women's Missionary Society of the Washington Avenue Presbyterian church met in the lecture room of the church yesterday afternoon and was called to order by the president, Mrs. R. J. Whitehead. The devotional exercises were led by Mrs. Ellis Allman after which the leader, Miss Hoge took charge of the program.

The subject for the afternoon was "The Freedmen" and the speaker having traveled extensively through the south, was enabled to give a very instructive as well as entertaining talk on the character and condition of the negro.

Mrs. Robert Booth gave a historical description of the Freedmen, after which Mrs. C. S. Speers spoke very ably of the work of the Presbyterian church for these people. Appropriate music was furnished by Mrs. Campbell and Mrs. Henderson, after which the regular routine business was transacted, including the election of officers for the ensuing year. The following officers were elected: Mrs. Stahlman, president; Mrs. R. J. Whitehead, first vice president; Mrs. J. A. Bowman, second vice president. Mrs. N. W. Patton, secretary and Mrs. Williams, treasurer.

The meeting was closed with prayer by Rev. Carter, the singing exchange list, after which a bounteous lunch was served by the hostesses, Mesdames Murdoch and Davidson.

L. C. B. A. Election

Branch No. 782 held its annual election of officers at their regular meeting Wednesday evening, with the following result: Past president, Mrs. Mary McCann; president Miss Anna M. Sullivan; first vice president, Mrs. M. Connelly; second vice president, Mrs. I. Guller; recorder, Mrs. Adina Wagner; assistant recorder, Miss Lillian Riley; financial secretary, Miss Julia V. Sullivan; treasurer, Mrs. B. V. Mains; marshal, Miss Stella Murphy; guard, Miss M. O'Connor; trustees, Mrs. M. Shields, Mrs. K. O'Connor. Delegate to triennial convention in 1910, Miss Anna M. Sullivan; alternate, Mrs. Mary McCann.

Report of Matter Made at Merchants Association Meeting

CLERKS MAKE SUGGESTION

Ask That Merchants Close Early in the Evenings—To Hold Open Meeting

Through not having between 30 and 60 acres of ground to spare and from three to six trunk line railroads running through the borough, Charleroi has lost the location of a large industry. The Pittsburgh Equipment company, with offices in Pittsburgh, manufacturers of freight cars, wish to change the location of one of their factories, and were in communication with the Charleroi Merchants Association for some time, but insisted upon conditions that are not to be found along this valley. Therefore the plant is lost to this borough. A report of the matter was made to the merchants at their meeting last night by President John H. Bowers, who conferred with the company.

At the meeting following the finishing up of the general routine of business, a committee from the Charleroi Retail Clerk's Union consisting of T. J. Shores, Walter Jack, Frank Taylor and Peter Hockendowner was heard relative to earlier closing. A committee headed by John Ferry from the Trades Council was present acting conjunctively with the clerks. The clerks asked that on four nights a week the stores be closed at 6 o'clock. On Monday the hour of closing was specified at 8:30 o'clock, but this was set for closing on Saturday evening.

The merchants discussed the matter somewhat and were of the opinion that if the merchants of other surrounding towns could be induced to close their stores, the Charleroi merchants would most willingly comply with the request. The finality of the meeting was for the clerks to propose an open meeting for the business men, clerks and other citizens of Charleroi to attend. This meeting will be held in the Bank of Charleroi Hall within the next week or two.

RUMMAGE SALE IS ATTRACTING CROWDS

The rummage sale which was opened yesterday at the old Eldora stand on Fallowfield next to the lockup by the ladies of the Christian church, began with a large sale of odds and ends. Not only does this sale give an opportunity of many households to dispose of their accumulated "rummage" and assist the church funds, but at this time of the year many poor families can prepare for the coming winter at a very low cost.

The Homely Ten.

"The Homely Ten" an organization of young men of the Retail Clerks Union of this place are arranging to give a dance in the bank of Charleroi hall on Thursday evening, December 9, for the benefit of the union. The committee is as follows: Frank Taylor, Walter Jack, Edward Sultz, Harry Klein, T. J. Shores, Peter Hockendowner, Earl Taylor, Robert Osborne, Robert Christopher and Frank Lee.

Up to the Individual.

The present era of high prices and general business dissatisfaction has started a flood of discussion and inquiry as to causes, conditions and remedies. Notwithstanding the resumption of industries and the vast volume of trade, there is general complaint that business profits, particularly among the smaller retailers, are down to the vanishing point. Laboring people and those who draw salaries are also dissatisfied, because their earnings do not reach so far as they used to, and thus in the midst of apparent prosperity there is general dissatisfaction.

Those who are giving the matter study say that personal extravagance is the greatest cause of the present condition of high prices and diminishing profits. These economic sharps state that every individual American must practice economy and gets away from the spendthrift extravagant manner of living which has become so prevalent during the past twenty-five years. Americans are getting away from the idea of being thrifty and providing for the future. Everything is for present pleasure and ephemeral amusements, and everybody is living too fast.

This condition does not apply to the wealthy, but to the middle classes who have heretofore been thrifty and furnished the sinews of war for trade and commerce. Now this is lacking and unless there is a halt, National disaster, the economists say is inevitable.

Many wonder if Charles S. Whitman, who is to succeed District Attorney Jerome in New York, smokes cigars. It seems that Jerome did.

You can't blame a colored man much for writing love letters to a white woman, but when it comes to a white woman writing letters to a colored man, it's a different proposition.

Illinois is the "wettest" State in the Union, according to statistics recently given out. Now that's nice for Pennsylvania, isn't it, to come to such a realization?

Many men would be desperadoes if they had the courage.

GENERATES OXYGEN TO CURE CATARRH

Dr. Barnes, who has located his office in the Clement building, Fourth and McKean, is attracting widespread attention among the citizens of our community by his free demonstrations of the Neel-Armstrong apparatus. The machine generates ozone, which together with certain curative oils, acts as a cure for all forms of catarrh, asthma, influenza, bronchitis, hay fever and incipient tuberculosis. It is the purpose of the company in charge of the demonstration, to place a machine with one of the physicians in Charleroi, and as a preliminary, to satisfy the community of the worth of the treatment thus afforded.

Without doubt the heavy and poisonous fogs which prevail in the Monongahela valley, especially at this season of the year, producing so large a number of cases as above enumerated, make this community an ideal place for the permanent location of such a plant as the Neel-Armstrong. This community is blessed with everything else except good health conditions, and anything to counteract the depressing climatic influences should be welcome.

Will Furnish Slag

The supervisors of the Pennsylvania Railroad for the Monongahela division have consented to furnish Roscoe borough with all the granulated slag that they wish to ask for in order to repair the streets of the borough. The council will make known their wants immediately, it is understood, and make some improvements of their streets. Material for the streets has cost the borough considerable money in the past, but the willingness of the railroad company to furnish the slag, will be the means of cutting down the expense to a large degree.

Robert Woods.

Robert Wood, formerly of California, died at the home of his daughter, Mrs. S. V. Hartman at West Brownsville, December 2. Mr. Wood was in his 54th year. He was a member of the order of Odd Fellows of Pike Run Lodge, No. 491 and also a member of the Knights of Pythias of Coal Centre. He is survived by four sons and one daughter, Robert M. Wood of Charleroi, Thomas Wood of Grafton, West Virginia, Andrew Wood of Lone, California and Mrs. S. V. Hartman of West Brownsville. Funeral services will be held at the Presbyterian church of Coal Centre Saturday at 1 o'clock. Interment at Howes cemetery.

ADOLPH'S FOOTWEAR

Adolph's Men's shoes are not only the smartest shoes you'll see but they give the longest and most satisfactory wear. The ever increasing business at Adolph's proves both statements. Adolph's shoes are copied from the best Metropolitan custom made work, and the models are closely followed in ever particular. That accounts for Adolph's style. The materials which enter into the making of Adolph's shoes are carefully selected from the best leathers on the market and put together by skilled labor. They are left on the lasts to thoroughly season and dry out and that is why Adolph's shoes have the reputation of holding their original shape until they are ready to be discarded. Adolph's men's \$2.95 and \$3.45 shoes are in all leathers, including Patent colt, genuine gun metal calf, vici kid, russian tan and wax calf. There are innumerable lasts and shapes, so that a particular man is sure of finding just what he fancies in button, lace or blucher cut, in the very size and width he is in the habit of wearing. Adolph's fitters are skilled and experienced and the quick, courteous and pleasant service will be to your liking. Make it a pair of

Adolph's this season and then you'll know why the demand for Adolph's shoes is always increasing.

He Didn't Bet.

"A man in my country," said a Kansas congressman, "was always anxious to bet on his game of checkers. One time he was about to play a game for \$10 with a fellow called Three Fingers Jack. Suddenly one of his friends exclaimed:

"Don't bet, Charlie. Don't you know that fellow wore off two fingers playing checkers? That's why he's called Three Fingers Jack."

"That settled it. The bet was never made. A man who had worn off two fingers by brushing them up and down the checkerboard was too much for my friend."—Kansas City Journal.

A Bitter Disappointment.

"When I was in Paris," remarked the collector of curios, "I discovered in a bookstall a volume which I knew at first glance to be of extraordinary value. I could scarcely believe my good luck. Breathless, I inquired the price of the dealer. Just think of it! I could have had that treasure for a song!"

"Well, why didn't you get it?"

"Never could sing a note in my life," cried the collector, bursting into tears.

DO NOT HESITATE

In coming into our store and ask the clerks to show you our garments, that's what we are here for is for you to come in and for us to wait on you and show you the difference in prices, qualities and perfect fittings, different from any other store in this county.

It stands to reason that we can do these things, but you may ask WHY. Because we operate 48 stores, we make our garments and guarantee every garment you purchase from us to be perfect, and we stand in back of the guarantee which we have done for many years and have made a success because we have no middleman to deal with. We sell direct from our factories direct to the people and we have gone to extremes to turn out the best garments that money could produce for the Christmas holidays in ladies' suits, skirts, furs and long coats in cloth, plush or caracul. And also men's and boys' suits and coats.

Our Millinery department has also been busy for many weeks turning out some of the finest hats that could be made up in color, style and quality to fit every lady's purse.
